Contemporary Indian food designed to excite the palate. The British love affair with Indian cuisine is a tale that spans more than 200 years – from the opening of the very first curry house in 1809, to its rise in the 21st Century as Britain's national dish. Kahani, which means 'story' in Hindi, is where Michelin-Starred chef Peter Joseph is adding the latest chapter to this tale with a fresh approach to Indian cuisine.
